

COLUMBUS ELEMENTARY SCHOOL

May 4 - May 11, 2018

"PROVIDING A FOUNDATION OF SKILLS TO PREPARE STUDENTS FOR LIFE"

Dear Parents,

Hello everyone! We had a fun mini AR challenge day today. We had a FIESTA because the kids beat my challenge and read like crazy! There were lots of bright and colorful clothes, a few decorations, some fiesta music and even a special "hot chili" treat. Our kids never let me down!

Next week is Teacher and Staff Appreciation Week. We will be celebrating all of the hard working people that help make Columbus Elementary the great place it is. This celebration will include teachers, paraprofessionals, maintenance and cleaning crews, lunch ladies and bus drivers. We are very lucky to have all of these people. So many of them go far above what they are asked to do. I feel extremely honored to be a part of this crew. Whether they work behind the scenes or with your child directly, they all make a difference and are an important part of our Cougar family! Thanks to each and every one of them from the bottom of my heart!

As I have said before, please be checking the Up Coming Events part of this newsletter. We have 3 very busy weeks left. Teachers will try to wrap up most grading by May 18. The last week will be filled with all kinds of end-of-the-year activities! Enjoy the beautiful weekend!
