

# COLUMBUS ELEMENTARY SCHOOL

## May 12-May 19

*“PROVIDING A FOUNDATION OF SKILLS TO PREPARE STUDENTS FOR LIFE”*

Dear Parents,

Wow! It is hard to believe there are only 2 weeks of school left. We have lots of field trips occurring this next week. Please check below for a list of all the things that are going on.

Last night the 4<sup>th</sup>, 5<sup>th</sup> graders and Honor Choir put on our spring concert. The theme was America and they did a great job. I am always impressed with the band and recorders because of how fast they learn to read music and actually play their instruments! Thanks to Mrs. Bruesch for all of her hard work.

You will be getting a packet of information today with all kinds of opportunities for your child this summer. The summer Library program sign up is in there along with several sports camps. If your child needs to be kept active this summer, these should help out!

We are still having occasional cases of lice pop up. When we do, we check family members and classmates. Please continue to watch your child and treat lice as soon as you notice them. They do not go away on their own. The treatment shampoo is really important but the combing out is essential. This needs to be done nightly!

Finally, it is that time of year when **NO CHARGES will be allowed for lunch or snack milk starting Monday, May 15!** Students that are in the negative will be asked to call home for the money or for a lunch each day. The clerk cannot end the year with negative balances. Thanks for taking care of this.

Enjoy your weekend and Happy Mother's Day to all of you moms!
