"PROVIDING A FOUNDATION OF SKILLS TO PREPARE STUDENTS FOR LIFE"

Dear Parents,

Looks like the snow found us again this week! Luckily the temperatures aren't quite as bad. We were still able to be outside – which is a good thing!

I just wanted to let you know we do have a case of head lice popping up here and there. This is that time of year that it can really go crazy. Please remind your students to not share or borrow hats. I would also suggest that students put their hats and mittens in their backpacks when they are not using them. I have washed and moved the hats from lost and found. If your child needs a hat, they will have to come to me and I will give them one. They will get to keep the hat. We will be checking all of the students in the school next week just to stay ahead of this. You might also remind your child to wash and rinse their hair really well when it is shower or bath time!

I believe we sent out YMCA basketball flyers to all students in grades K-4. The sign-ups are approaching. If you are interested in having your child participate or if you would like to coach a team, please see the back of this newsletter. If you have questions, please contact the number listed on the back.

This is the time of year that we start to get quite a few absences. Please remember to call in to the office and report that your child will be gone and why. We have a mailbox so you can leave a message at anytime. It is mandatory that we contact parents of all absent students unless they have called in or given a note. It is for your child's safety that we keep track of where they are. Thanks.

Next Friday you will be receiving your child's mid-term report for the 2nd Trimester. We are plugging right along! Enjoy the weekend!
